PUTTING THE WOODS TO IT 34
Daniel Woods flashing a V9/10 at the recent Mammut /
EMS Gravity Brawl, New Jersey Rock Gym. For this photo,
Kemple, who set the problem, pre-arranged a light and
camera just to capture this crux move. He waited all
evening, but it looked as if he would walk away empty-
handed—no one came even close to the send. Then
Woods, the last competitor, stepped up, fired it, and
Kemple got the shot.
